

CEPIS
Council of European Professional
Informatics Societies

Welcome to this issue of the CEPIS Member Update. Find out about the new appointments in the CEPIS leadership, have a look at activities of Digital Skills and Jobs Coalition, and check the new tender on AI from Cedefop. And, if you're the official representative of your society, don't forget to nominate and support candidates for CEPIS Board election!

New appointments at CEPIS

September has seen a few changes in the CEPIS leadership. Declan Brady has been appointed by the Board to fill the post of Deputy President of CEPIS. Also, following Austeja's departure, Jakub Christoph has been appointed Secretary General of CEPIS. [Read the full article](#)

Nomination for CEPIS Board election still open

The nomination of candidates for the CEPIS Board of Directors is still open. The election will take place at the CEPIS Council meeting on 25 November 2021. The deadline to nominate candidates is **25 September 2021**. The nominations and support forms must be sent to the CEPIS Secretariat at info@cepis.org. More information and forms can be found on the [Members' Area of the CEPIS website](#).

DSJC includes the CEPIS DiversIT Charter on new platform

The CEPIS DiversIT Charter is now featured on the Digital Skills and Jobs Platform, an initiative of the Digital Skills and Jobs Coalition. It features among other resources for upskilling and strengthening digital competences. [Read the full article](#)

DSJC highlights new funding opportunities on innovation and skills

In context of the large investments currently directed towards enabling the Digital Decade, the Digital Skills and Jobs Coalition (DSJC) lists new funding opportunities under the Erasmus+ and Horizon Europe programmes for organisations seeking to kickstart their digital skills projects or find other relevant sources of funding.
